

Recent Projects

**Greendale Industries
Chilliwack, B.C.**

(1) side loading steam kiln, 42ft x 30ft

**Genalta Power
Judy Creek site, Pengrowth, Alberta**

(2) 10-15 MM Btu/hr thermal oil waste heat recovery units (WHRU's)

EnCana Horn River Gas Plant #2
4 x 17.6 MW & 1 x 7.3 MW gas-fired glycol heaters c/w nine skid section pump room

**Abitibi Bowater Canada
Thunder Bay, Ontario**

(1) double track, double air pass, 9-zone, thermal oil heater lumber dry kiln
128ft x 35ft c/w Winkiln control system & 8-station TCS

**MEG Energy
Christina Lake, Alberta**

34 MM Btu/hr gas-fired glycol heater

**MEG Energy
Christina Lake, Alberta**

2 x 47 MM Btu/hr gas-fired glycol heaters

**Spectra Transmission
Dawson Creek, B.C.**

2 x 11 MM Btu/hr gas-fired glycol heaters

**Lakeland Mills
Prince George, B.C.**

Energy system modifications for
7.6 MW District energy loop

**Millar Western
Fox Creek, Alberta**

Relocation of two (2) Wellons 84ft kilns

**Gorman Bros
Westbank, B.C.**

- Relocation of two (2) Wellons 104ft kilns
- New wood-fired 200HP energy system

**Canfor
Houston, B.C.**

Two (2) 150ft multi-zone steam kilns

EnCana Horn River Gas Plant #1

4 x60MM & 1 x25 MM gas fired glycol heaters c/w nine skid section pump room

**Enbridge Midstream
Hardisty, Alberta**

Primary crude oil heating system c/w two (2) 40 MM Btu/hr gas fired glycol heaters

**West Fraser Mills
Chetwynd, B.C.**

Recladding of one (1) kiln

**Murphy Oil
Tomslake, B.C.**

12 MM Btu/hr gas fired thermal oil heater

**Kronospan MDF
Eastaboga, Alabama**

30 MW wood-fired thermal oil system
20 MW hot gas to dryers

**Richmond Plywood
Richmond, B.C.**

100,000 pph wood-fired steam boiler

**Lakeland Mills
Prince George, B.C.**

Two (2) double track thermal oil kilns 104 x 33ft

**Murphy Plywood
Sutherlin, Oregon**

50 MM Btu/hr gas fired thermal oil heater

**Coastland Wood Industries
Nanaimo, B.C.**

24 MM wood fired thermal oil energy system

**Kalesnikoff Lumber
Thrums, B.C.**

One (1) double track steam kiln 100 x 35ft

**Millar Western Industries
Whitecourt, Alberta**

One (1) double air pass kiln 110 x 35ft with two (2) 20 MM thermal oil heaters

**Interfor
Adams Lake, B.C.**

90 MM Btu/hr wood fired thermal oil energy system

**West Fraser - Blue Ridge Lumber
Blue Ridge, Alberta**

One (1) double air pass thermal oil kiln 104 x 33ft

**ATC Panels
Pembroke, Ontario**

40 MM Btu/hr wood fired thermal oil heating system

**Canfor
Vavenby, B.C.**

One (1) hot air kiln 150 x 35ft with 30 MM Btu/hr McConnell energy system

**Tolko Industries
Armstrong, B.C.**

One (1) double air pass 9-zone steam kiln 104 x 33ft

**Tolko Industries
Merritt, B.C.**

One (1) double air pass gas kiln 120 x 35ft

**Woodex Forest Products
Edgewater, B.C.**

One (1) double track propane fired kiln 120 x 35ft

**Merom Farms
Abbotsford, B.C.**

Two (2) 6,000 KW wood fired hot water boilers

**West Fraser Mills
100 Mile House, B.C.**

Two (2) double air pass thermal oil kilns 130 x 40ft

**Sundance Industries
Edson, Alberta**

One (1) 40 MM Btu/hr wood fired thermal oil energy system

**Weyerhaeuser
Grande Prairie, Alberta**

One (1) double air pass steam kiln 120 x 40ft

**Pope & Talbot
Grand Forks, B.C.**

One (1) 40 MM Btu/hr gas fired thermal oil heater

**West Fraser Mills
Houston, B.C.**

Two (2) double air pass thermal oil kilns 120 x 40ft
